Super Sunday Mornings

Sunday Mornings are an adventure in life long faith formation! Our programs are a hands-on, get-out-of-your-seat, join-in-any-time fun model for Youth Pre K-12.

All ages are invited to join in the beginning of our Worship experience on Sunday mornings.

Our Prereaders (preschool-1st grade) and our Readers (2nd-5th grade) each have a class that uses the *Whirl Lectionary* curriculum. These young people and their leaders watch a short video that begins to bring the day's bible story to life before they explore the story through art, games, and sharing.

Our older youth (6th-12th grades) view movies with an adult faith leader, discuss the movie theme and how it relates to our faith in the world.

Children and Youth Acolytes

Children Pre K-12th graders are invited to participate in bringing in the light of Christ to worship by lighting our candles at the beginning of our worship services.

Summertime Sundays = Adventure Hour!!!

Children Pre K-4th grade are invited to participate in this activity based program that takes the place of Sunday School classes from June through August. Activities will vary each Sunday such as crafts and outside games.

Our Whole Lives (OWL)

OWL is a UCC Lifespan Human Sexuality & Self-esteem Training. *Our Whole Lives* teaches the skills to make informed and responsible decisions about behavior and sexual health. It equips participants with accurate, age-appropriate information in human development, relationships, personal skills, sexual behavior, sexual health, and society and culture. Grounded in a holistic view of sexuality, *Our Whole Lives* not only provides facts about anatomy and human development, but also helps participants clarify their values, build interpersonal skills, grow open interfamily dialogues and understand the spiritual, emotional, and social aspects of sexuality.

Read the *Our Whole Lives* handout to learn more about this great curriculum.

We all know where children go to receive the academic equipment for life, but there is a special place each summer where they can go to receive: critical social and emotional readiness, develop responsibility and problem solving skills, and build lasting friendships. Where they can intern for life - at SUMMER CAMP!
